

High Voltage Forged Steel Pins

- Pins are forged with cast lead threads for high voltage insulators.
- Long shank pins are furnished with a washer, a square nut and M-F locknut.
- Short shank pins come with a square nut and a M-F locknut.

Catalog #	Shanks (S) Diameter (inches)	Height (A) Above Arm (inches)	Approx. Ship Wt. (lb Per 100 pcs)	Std. Pkg. Qty.
For insulators with standard 1" threaded Pin Hole.				
Long Shank				
P 626Z	5/8	6	240	20
P 606Z	3/4	6	292	20
Short Shank				
P 629Z	3/4	7	210	20

Catalog #	Shanks (S) Diameter (inches)	Height (A) Above Arm (inches)	Approx. Ship Wt. (lb Per 100 pcs)	Std. Pkg. Qty.
For insulators with standard 1-3/8" threaded Pin Hole.				
Standard Long Shank				
P 647Z	5/8	7	440	12
P 608Z	3/4	8	520	10
Standard Short Shank				
P 631Z	3/4	8	380	20

Also available in Lead Thread; Remove Z to Part Number if lead is required
